

Subject: **Gecko** (*family Geckkonidea*) internal study.  
Medium: Water colour, Acrylic and pencil  
Size Original: 290mm x 205mm  
Working Time: Not recorded  
Completed:

Comments: This painting captures the translucency of the animal's interior. The illustrator was experimenting with different techniques and materials.

Notes: The Gecko was not dissected by the illustrator, but composed from outside photographic sources.  
Gecko: small lizard able to climb the smoothest surfaces including glass.
